**I choose this design because I feel that dogs are our best companions. I also like dogs, especially white and huge ones. I think that dogs are vigilant and loyal, together with many other good traits associated with them. Also, I feel that dogs are useful animals.**

**I have learnt the following things:**

**how to combine different graphs,**

**how to draw only a section or part of the graph,**

**how to insert text on graph,**

**how to use pixel to draw objects,**

**how to adjust windows settings to suit the size of the graph,**

**and lastly, the shapes of different graphs.**
