

**TAY TONG WEI, 04S36
VICTORIA JUNIOR COLLEGE**

When I was brainstorming for ideas for this competition, I came upon a few bobdog bookmarks which my primary school teacher gave me years ago. Thinking that it would be interesting to plot a cartoon character, I decided to give it a try. The process was not as easy as coming up with a design myself as I have to ensure it looks like a bobdog. I tried and re-tried a couple of times before arriving at the final design I wanted.
