On the track, as the torch relay runner carries the Olympic flame, it signifies Singapore which will be holding the YOG in 2010. Singapore national flower; Vanda Miss Joaquim is in full bloom, it means Singapore is ready for the Games. The lion which represents Singapore athletes shining under the Olympic Rings, shows my wishes for the sports categories: table tennis and badminton to win Gold medals. I have learnt to manipulate GC with different functions and formulae to draw interesting designs. Mathematics can be so fun!
