

YEOW BOK SENG, 1T25 CATHOLIC JUNIOR COLLEGE

This design incorporates a dove representing peace which is upheld at all Olympics. The symbols from Singapore flag shows support from her citizens. The person with the flame represents determination and passion of the participants (guy with the medal). Rojak is blending of all things similar to the youth Olympics games with various sports. The trophy represents that everyone is a winner.

I have learnt many graphing techniques and GC skills as well as about the YOG 2010.
