

**LIU CHIXUAN, 06IP05**  
**NATIONAL JUNIOR COLLEGE**

**This is a picture of someone playing golf. Golf is a healthy outdoor sport. It is very popular. Golf, soccer as well as tennis are the top three sports that have the most influences in the world today.**

**By making this picture, I have realized maths can be so artistic and interesting. Also, drawing a picture with graph needs good plan. I think this is what I have learnt most in the process.**
