

RUNNING

ZOU MENGLIN, 2C/07
TEMASEK JUNIOR COLLEGE

The main reason I chose this design was that running is one of my favorite sports. And I think this picture of people running together shows the Olympic spirit of friendship, solidarity and fair play. I also made this to welcome the incoming Olympic Games 2008 in Beijing.

I have learnt more about graphing in GC and gained lots of confidence in using a GC to create funny and interesting pictures.
