

**RISHVINDER SINGH, 08V13
VICTORIA JUNIOR COLLEGE**

My design shows a soccer player kicking the ball towards the goal. The goalkeeper's hands are visible. This symbolizes perseverance and a fighting spirit as the goalkeeper goes all out to try to save the ball. The seats behind the goalkeeper are empty, save a few seats. From this, one can infer that the goalkeeper and the player are training. This is supposed to emphasize the importance of training to keep improving one's skills.
